

The Donkey Sanctuary of Canada

Sponsorship Gift Voucher

Sponsorship Number: _____

You've received the gift of a donkey sponsorship! Now it's time to choose which donkey you want to sponsor. There are over 100 different donkeys and mules/hinnies to choose from, all with different personalities and looks. To view all the animals available for sponsorship, visit our website <https://www.thedonkeysanctuary.ca/sponsor-a-donkey/>

Once you have selected the donkey or mule you would like to sponsor, simply complete the information below including your details.

We offer electronic packages and print packages. Selecting an electronic package helps the money donated for the sponsorship to go further towards caring for our animals.

Along with the sponsorship package, you will receive 3 newsletters each year. Newsletters can be sent in the mail or electronically. If you would like to receive these electronically, please provide your email address.

When all the details are completed, simply send it back to us either in the mail, in an email to sponsor@thedonkeysanctuary.ca containing all the details, including the sponsorship number, or you can give us a call at 519-836.1697, and we will then arrange to send your sponsorship package out to you.
